

MAKE CYCLING A PART OF YOUR LIFE

Make cycling a part of your life and ensure our local communities are better connected and nicer places to live by:

- reducing traffic congestion
- making the air cleaner and reducing global warming
- making bike paths safer by making them busier.

Cycling can often be quicker in reaching some places than driving a car or using public transport and when you cycle you are also helping the environment.

GET ACTIVE - GET ON A BIKE

We need to be active to be healthy and the good news is, it doesn't take much to make a difference. You can maintain your health by doing just thirty minutes of moderate exercise per day. An easy way of achieving this level of activity is to make cycling a part of your life by riding to work, TAFE, school or to other local destinations.

CYCLING SAFETY AND TIPS

Bike path safety

There are many shared use paths in Fairfield and Liverpool. You can ride your bike on these paths but remember to:

- give way to pedestrians
- ride at a safe speed
- keep to the left
- avoid blocking the path
- warn those who are travelling slower than you before passing.

Whether you are walking or cycling, remember to treat all other path users with respect and courtesy.

Ways to stay safe

- Wear an approved bike helmet
- Ensure your bike has at least one working brake and either a bell or horn
- At night, your bike must have a steady or flashing white light at the front, and a red reflector at the rear of the bike
- Be seen - wear bright visible clothing
- Be predictable
- Assertively take your space on the road
- Watch out for opening car doors
- Your bike is a vehicle so failing to obey road or bike rules may result in a fine.

CYCLING OPPORTUNITIES

Learn to ride

If you are new to cycling or want to improve your skills why not join a cycling group? Learn to ride, beginner and intermediate levels are available for adults aged 17 and over. Shorter family adventure courses are also available for you and your children. Contact the Health Promotion Service at Sydney South West Area Health Service on 9828 5911 for more information.

Bicycle Recycling at Fairfield Showground

If you don't already own a bike, you can join Bicycle Recycling and have long-term use of a recycled bike and new helmet. This is managed by the Western Sydney Cycling Network (WSCN). Contact Fairfield City Council on 9725 0222 for more information.

Family fun

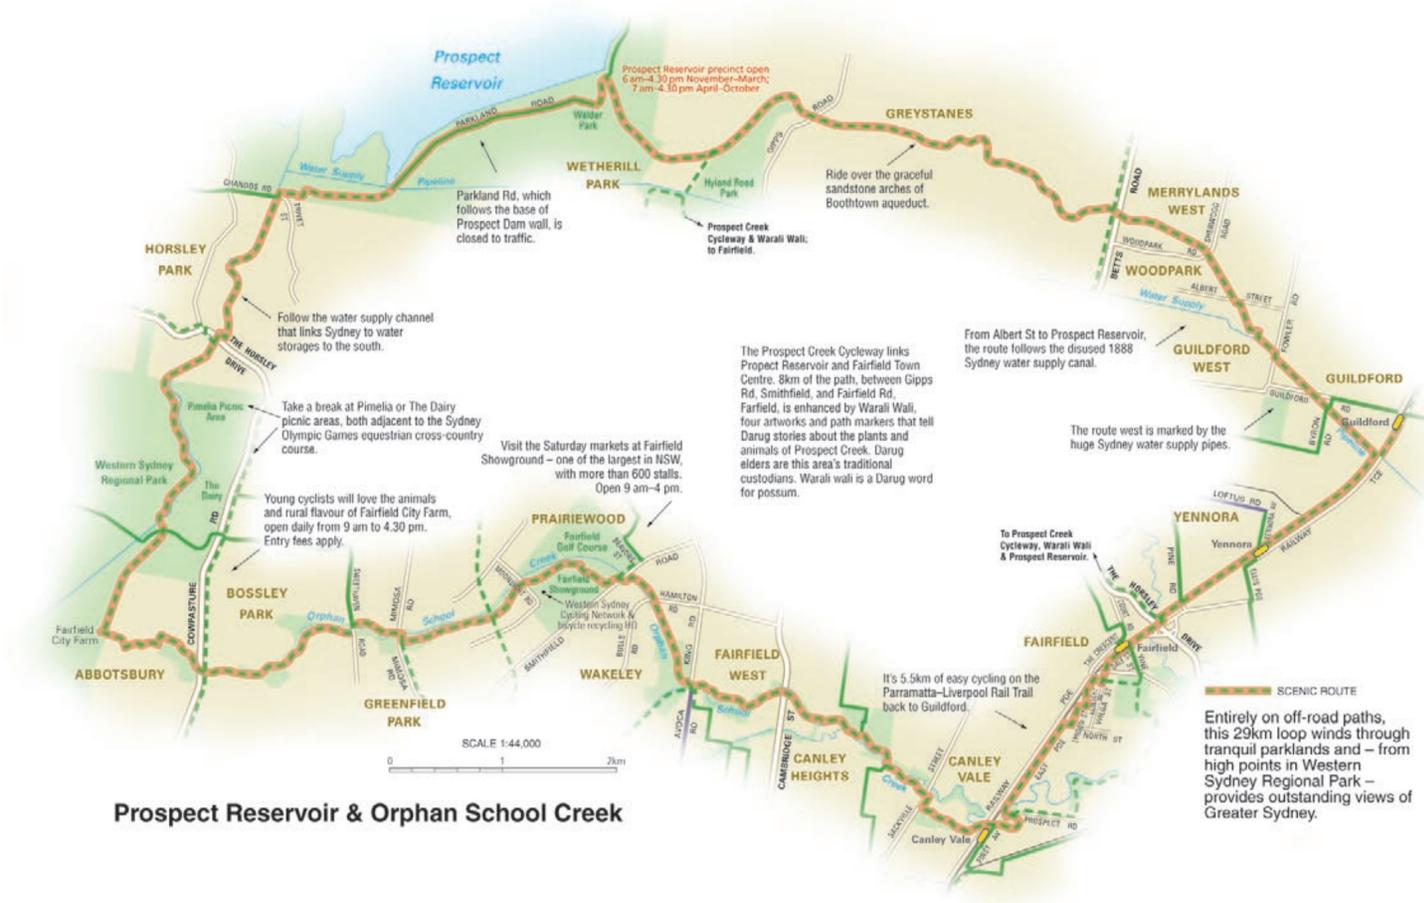

If you have children, there are lots of great places to go bike riding and have fun as a family. Here are some places to get you started:

RTA

Cycling maps are available by contacting 1800 060 607 or on the website: www.rta.nsw.gov.au/bicycles.htm

BIKES AND PUBLIC TRANSPORT

You can carry your bike on a train at any time, provided there is space available. You need an additional concession fare ticket if travelling during the peak hour period (6:00am to 9:00am and 3:30pm to 7:30pm) on a weekday. At other times your bike travels for free.

You can only carry a bicycle on buses which are wheelchair accessible and even then, this is at the discretion of the bus driver. Bikes must be secured in the wheelchair area.

You can hire bicycle lockers at some railway stations including Liverpool and Merrylands and at some T-way stations including Bonnyrigg and Prairiewood. Contact Bicycle NSW for details.

FAIRFIELD AND LIVERPOOL ARE GREAT PLACES TO RIDE YOUR BIKE FOR FUN, RECREATION OR TRANSPORT

There are lots of opportunities to join social rides and classes to brush up on your cycling and bicycle maintenance skills.
